**PURPOSE:**

The Access, Inclusion, & Diversity (AID) Committee serves MASFAA by acting as a catalyst and advocate for the engagement of the association and its members in issues related to higher education access, inclusion and diversity. AID engages the membership by stimulating discussion that promotes awareness of how financial aid professionals can and do influence the status of the various underrepresented populations we all seek to serve.

**2014-2015 OBJECTIVES:**

1. Strengthen the committee's participation and actively invite new members to explore the issues related to higher education, as stated above.
2. Partner with other committees to collaborate efforts related to access, inclusion and diversity.
3. Engage the membership and stimulate discussion on social medians, Facebook and Linked In.
4. Encourage the use of the Diversity Library by making it more readily available to all members.
