PURPOSE:

The Professional Development and Training Committee are planning on a number of timely workshops as needed by the entire MASFAA Community. With budgets tightening across the board, one overall goal of our committee is to be responsive to the training needs of our colleagues. PD&T will work closely with other committees to maximize training opportunities and minimize expenses for the upcoming year. PD & T in cooperation with Emerging Leaders and Just the Facts will provide comprehensive training for all professional development levels and be the foundations for training events in Massachusetts.

2012-2013 OBJECTIVES:

- Create a diverse and nurturing learning environment for the MASFAA membership
- Effectively merge Emerging Leaders & Just the Facts under the PD & T umbrella
- Effectively manage PD & T budget
- Maintain our commitment to excellence through consistent & relevant training and educational outreach efforts
- Continually seek out feedback from the MASFAA membership (Executive Council, other committee's and the membership at large).
- Take greater advantage of regional and national training resources

2012-2013 MASFAA GOALS:

- Advance the Art and Science of our Profession
 - with students, families, on and off-campus colleagues, faculty and administration, elected and governmental officials
- Increase engagement of members
- Continued commitment to high quality, cost effective training and professional development
- Update the Association's Strategic Plan
